

**Bar-Ilan University in Israel
and the
American Friends of Bar-Ilan University
note with profound sadness
the passing of the University's
deeply beloved Chancellor Emeritus
Rabbi Emanuel Rackman**

Rabbi Rackman's legacy will live on at Bar-Ilan University (BIU) and American Friends of Bar-Ilan University (AFBIU) for generations to come. His devotion to the University, which he served with incredible vision and unswerving dedication for over 30 years – first as President and later as Chancellor – built and strengthened one of the great institutions of higher learning in the world.

The Rabbi's deep commitment to women's rights and social justice stemmed from a conviction that Halacha and the Jewish legal system is a central moral force to address injustice.

In his honor, BIU's Law Center and the Center for the Advancement of the Status of Women proudly bear his name and that of his beloved wife, Ruth Z"L.

We extend our sincerest condolences to his three sons and their wives, Michael and Judy, Bennett and Ruth, and Joseph and Eliane, his eight grandchildren and 14 great-grandchildren.

Prof. Moshe Kaveh, President, BIU
Dr. Mordecai D. Katz, Chairman, Global Board of Trustees, BIU
